D.A.R.

Presented by JOHN PAUL CHAPTER,

DAUGHTERS OF THE AMERICAN REVOLUTION.

Typed by Mary Hill.

Madison, Indiana.

Jefferson County, Indiana Marriages from 1811, when the County was formed from Clark County, till 1873, are recorded in twelve books. The first, from 1811-1832 contain the statement that the marriage took place on a certain date by a certain man. From 1832 a license was issued by the clerk and a return was supposed to be made by the person who performed the marriage. In many cases the minister did not come to town and make the return. In that case, the date given is that of the license, and may not be the actual marriage date. The following served as clerks during these years, and if one of the clerks name is given, that indicates the license date.

1st Clerk	John Paul	1811-1832
2d "	R.C.Talbott	1832-1835
3d "	J.H.Taylor	1835-1852
4th "	J.G.Sering	1852-1861
5th "	D.G.Phillips	1861-1868
6th "	J.J.Sering	1868-1873

Sometimes the writing was difficult to read, at times the name was misspelled, sometimes the minister gave a different name than was on the license (in these cases both names are given); and various ways of spelling the same name are used. A list of variants ways of spelling is given below, in the hope that a person can find the name he wants.
